

Name	Rajal Prajapat
Category of Governor	Parent Governor
Term of Office	2026-2030
Work	Head of Client Services
Governance Experience	I currently work as a Client Services Manager for a digital marketing agency, where I am responsible for managing client relationships, contracts and ensuring that policies, procedures and regulatory requirements are followed across a range of projects. As part of my role, I work closely with senior stakeholders, manage contracts, and ensure that services are delivered to a high standard while maintaining accountability and transparency. I have strong skills in communication, which I believe are highly transferable to a governance role. In addition, our organisation has a training division that is required to meet Ofsted standards. Through this, I have developed an appreciation of the importance of safeguarding, compliance and maintaining high standards within an educational environment.
Hobbies & Interests	Outside of work, I enjoy spending quality time with my family and travelling with my children. I have a keen interest in different cultures and enjoy watching travel documentaries to learn more about the world around us. More recently I have become an enthusiastic gardener and enjoy growing and caring for plants. In my spare time, I enjoy knitting and crochet, which I find both creative and relaxing.
Links to the school area	I live within the local community and have children who attend the school. As a parent, I have a strong interest in the continued success and development of the school and value the positive role it plays in the community.
Why did you become a Governor?	I became a School Governor because I am passionate about ensuring children at the school have access to a high-quality education and a supportive environment in which they can thrive.

	As both a parent and a member of the local community, I want to contribute positively to the school's future and support its leadership in making decisions that benefit pupils, staff and families alike.
