Inclusion

Embed consistently effective quality-first teaching, ensuring that adaptations are purposeful, targeted and successful in removing barriers to achievement, belonging and wellbeing.

Behaviour & Personal Development

Embed the school's values and expectations so that British Values and pupils' understanding of protected characteristics are consistently promoted through curriculum delivery, enrichment opportunities and daily interactions across the school.

Curriculum and Teaching & Achievement - Writing

Strengthen the teaching of writing so that the curriculum and assessment is fit for purpose and teachers consistently deliver learning that enables pupils to build and apply writing knowledge and skills effectively.

Curriculum and Teaching & Achievement – Mathematics

Strengthen the teaching of mathematics so that the curriculum and assessment is fit for purpose and teachers consistently deliver learning that enables pupils to build and apply mathematical knowledge and skills effectively.
