School Uniform Update – Academic Year 2026/27

Dear Parents/Carers,

We are writing to share some information regarding our school uniform policy.

From the start of the **2026/27 academic year**, we will be introducing a revised school uniform to ensure that there is a smart and consistent look across the whole school.

By streamlining the school uniform, our aim is for all of the pupils of the school to have one clear identity.

Why are we making these change?

- Equality and Inclusion:
 - A consistent uniform helps all of the children to feel that they belong regardless of their background.
- School Identity:
 - A unified appearance demonstrates a stronger sense of community and pride in our school.
- Simplicity for Parents/Carers:
 - Clearer guidelines make it easier for parents/carers to shop for school clothes.

What will my child be expected to wear as part of their school uniform from the start of the 2026/27 academic year?

Children will be expected to wear the following items as part of their school uniform:

Sweatshirt or Cardigan – Plain Green

We have chosen to move to this colour as we have noticed that a lot of our children currently come to school wearing sweatshirts and cardigans in this colour.

We hope that moving to this shade of green will allow parents/carers the opportunity to purchase their child's school uniform from supermarkets, and therefore, in turn, reducing costs.

Whilst there is no expectation for children to wear a school jumper with a logo on it, we are aware that some of our parents/carers do want to purchase jumpers and cardigans with the school logo on them.

These can continue to be bought from our school uniform supplier at Uniform Direct.

Polo Shirt – Plain White

Trousers or Shorts – Plain Dark Grey

Pinafore, Skirt and Tights – Plain Dark Grey

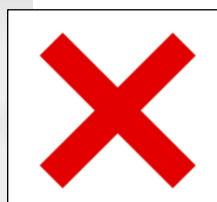

Summer Dress – Gingham and Green

School Shoes – Plain Black

School shoes must be fully black. Plain black trainers will be allowed as part of the school uniform as long as they are fully black and free from all other colours.

What will my child be expected to wear as part of their P.E. kit from the start of the 2026/27 academic year?

This uniform revision also includes the P.E. kit worn by children on P.E. days.

Moving forward, we would also like there to be a more consistent approach on PE days, and therefore, we will be moving away from the mix of branded sportswear and different colours currently worn by the children.

Sweatshirt – Plain Black

There is no expectation for children to wear a PE jumper with a logo on it.

However, if your child currently has a black jumper which they wear to school, they might choose to wear this during P.E. lessons.

T-shirt - White

Jogging Bottoms – Plain Black

PE Trainers – Plain Black

Trainers worn during PE lessons must be plain black.

If your child already wears plain black trainers as part of their school uniform, the same pair can also be used for PE lessons

We understand that changing uniform is a transition for families, and therefore by sharing this information early, we hope to give you plenty of time to plan accordingly in preparation for the start of the new academic year.

We have considered the options carefully so as not to add any unnecessary costs to our families.

Thank you for your continued support.

Kind regards,

Herrick Primary School.
